Asti Holdings Ltd. specializes in the manufacture of Golden Bonbon™ almond nougat candy, a traditional Italian treat known in Italy as *Torrone*. Owned and run by the Mazzucco family, the business was started three generations ago in Asti, Northern Italy, and since 1991, has been located in Vancouver, Canada.

Golden Bonbon Torrone

Little has changed over the years. Following a time-honoured tradition, the product is hand-made and contains only the freshest ingredients. Toasted almonds, which form up to half of the product's weight, are combined with honey, sugar, corn syrup and egg whites at high temperatures in traditional confectioner's copper bowls. Using a unique cooking process, no artificial flavouring, colouring or preservatives are used. Golden Bonbon almond nougat is all natural and cholesterol-free.

Our nougat is always made fresh to order and shelf life is 12 months if kept cool and dry. For More Information, please visit our website at: www.goldenbonbon.com
